

## Sample Language

### Community

*"[We/organization name] officially partnered with RTW Foundation to launch [program name]! Together, we were able to provide [#] community members in [location] with a variety of [services.] Thank you RTW Foundation for your partnership in bringing much-needed care and resources to our community. #health #healthaccess #community"*

### BioQuest

*"We are proud to partner with RTW Foundation's BioQuest STEM Mentoring Program to provide students with access to real-world STEM experiences and career exploration."*

*"This week, 80 #BioQuest students brainstormed with @weillcornell graduate students and mentors to create innovative solutions to community health challenges. Students presented creative ideas including apps, wearable devices, and artificial intelligence in a Shark Tank style pitch competition. A huge thanks to @RTWFoundation for bringing this event to life!"*

### Rare Disease

*"RTW Foundation's Rare Disease Advisory team partners with ultra-rare disease foundations to provide free, expert guidance and operational support at every stage of development. By helping these foundations navigate the drug discovery process, we accelerate progress toward new treatments for diseases that might otherwise be overlooked."*

*We're thrilled to announce that Rare Hope has been awarded the Rare Disease Advisory Program Spring 2025 Grant of \$10,000 from the RTW Foundation! This grant will directly support our efforts to define core digital measures for pediatric rare diseases, helping to accelerate critical research and transform care for young patients. We're so grateful for your partnership in making a difference!*
